To Whom It May Concern:

This letter is a response to the letter from Ryan J. Lanz, dated 5/17/06 regarding contributions that were made by our PAC and designated for the 2006 Primary, after the Primary dates had passed.

In discussing this matter further with a Campaign Finance Analyst named Laura Sinram on 6/14/06, I was told that redesignating the funds to the 2006 General Election would be acceptable, since those campaigns received these contributions within 60 days. We have also written letters to those campaigns, informing them of the errors and our redesignation of the funds for the 2006 General Election as well. Copies of those letters and your original letter of 5/17/06 are enclosed for your records.

I apologize for this oversight. If you have any questions about this correction, please contact me at (800) 321-1473 ext. 3206.

Sincerely,

Timothy J. Foltyn

May 17, 2006

Dr. Richard Wilkes, Treasurer
American Veterinary Medical Association
Political Action Committee
1101 Vermont Ave. NW
Suite 710
Washington, DC 20005

Response Due Date:
June 19, 2006

Identification Number: C00114132

Reference: April Quarterly Report (1/01/06 – 3/31/06)

Dear Dr. Wilkes:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **An adequate response must be received at the Commission by the response date noted above.** An itemization of the information needed follows:

-Schedule B supporting Line 23 of your report discloses one or more contributions to a candidate(s) for the primary election; however, the funds were disbursed after the election date(s) (see attached). Please note that contributions may not be designated for an election which has already occurred unless the funds are to be used to reduce a candidate committee's debts incurred during that election campaign.

If any apparently impermissible contribution in question was incompletely or incorrectly disclosed, you should amend your original report with clarifying information. If the contribution(s) in question should have been designated for debt retirement, you should amend your report to indicate "debt retirement," along with the year of election.

If you have made an impermissible contribution, you must request a refund or provide a written authorization for a redesignation of the contribution pursuant to 11 CFR §110.2(b) within 60 days of the treasurer's receipt.

If the foregoing conditions for redesignations were not met within 60 days of the treasurer's receipt, your committee must obtain a refund.

Please inform the Commission of your corrective action immediately in writing and provide a photocopy of the refund or redesignation request sent to the recipient committee(s). In addition, any refunds should be disclosed on Schedule A supporting Line 16 of the report covering the period during which they are received. Any redesignations should be disclosed as memo entries on Schedule B supporting Line 23 of the report covering the period during which the redesignation is made. 11 CFR §110.1(b)

Although the Commission may take further legal action regarding this impermissible activity, your prompt action in obtaining a refund and/or redesignating the contribution(s) will be taken into consideration.

Please note, you will not receive an additional notice from the Commission on this matter. Adequate responses received on or before this date will be taken into consideration in determining whether audit action will be initiated. **Requests for extensions of time in which to respond will not be considered.** Failure to provide an adequate response by this date may result in an audit of the committee. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action.

Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended. If you should have any questions regarding this matter or wish to verify the adequacy of your response, please contact me on our toll-free number (800) 424-9530 (at the prompt press 5 to reach the Reports Analysis Division) or my local number (202) 694-1399.
